

ABOUT US

In a country where everyone is busy racing their day to day necessities, healthcare is one of the most deprived aspects of an average family. Unfortunately, government hasn't taken any prominent measures to resolve the prevailing healthcare issues in Pakistan. Hence, Find My Doctor was born to bring a revolutionary change to the most challenging industry by providing quality healthcare services at your home.

Find My Doctor

VISION

To revolutionize healthcare industry in Pakistan and make available quality healthcare to masses one checkup at a time.
